NANJING UNIVERSITY OF AERONAUTICS AND ASTRONAUTICS

8th NUAA SUMMER LECTURE PROGRAM 2020

Inviting International Professors/Lecturers

OVERVIEW

It is once again our great pleasure to announce the commencement of "8th NUA Summer Lecture Program".

NUA's commitment towards the internationalization of its higher education has yet again given us this opportunity to invite and welcome Professors, Associate Professors, Researchers and Lecturers from different regions and specialties to participate in this truly global academic event.

With over 350 academicians and 18,000 students taking part in the past few years, it is one of the significant events at NUA providing our students a platform for internationalization beyond mobility while providing visiting academicians an international teaching experience in the beautiful city of Nanjing.
